Mr. Robert Angrisano  
Nevada Star Resource Corp.  
10735 Stone Ave North  
Seattle, Washington 98133

Subject: Transfer of Notice of Intention, Small Mining Operations, from Nevada Star to Western Utah Copper Company, OK Copper Mine, S/001/039, Beaver County, Utah

Dear Mr. Angrisano:

On October 6, 2005, we received the completed Transfer of Notice of Intention of Small Mining Operations to transfer your small mine project located in Section 7, T27 S, R11W, Beaver County, Utah to Western Utah Copper Company.

The Division Director signed and executed the transfer document on October 14, 2005 *which effectively transfers the responsibility of this mining operation and reclamation to Western Utah Copper Company.* A copy of the executed transfer form is enclosed for your files. You are now released from any responsibility for mining and reclamation obligations for this project; **however, there may be outstanding penalties associated with the Cessation Order that was issued for this site which you will still be obligated to address.**

Thank you for your help in finalizing this transaction. If you have any questions or concerns regarding this letter, please contact me at (801) 538-5325.

Sincerely,

Susan M. White  
Mining Program Coordinator  
Minerals Regulatory Program

## DIVISION APPROVAL CERTIFICATION

This is to certify that I have examined this application for transfer of the aforementioned small mining operation and do hereby grant approval of the same, subject to the following limitations:

- (a) This transfer of small mining permit grants only the right to affect the lands as legally described in this application.
- (b) The transferee has provided the Division a fully executed and signed Reclamation Contract (Form MR-RC) and an acceptable form of reclamation surety. The surety shall be effective on or before the date of transfer.
- (c) The transferee, or such other person as required by UCA 1953, Title 40-8, as amended, has acquired the legal right to enter and mine the lands as described in this application.
- (d) A topographic map of suitable scale is attached (as Appendix AA@) which clearly outlines and labels the existing disturbed area boundaries through the date of this transfer.
